

MARRIAGE AFFIDAVIT

Today, the 04 of January 2023, I, Dr. Mohamed Abdullahi Mohamed (Mohamed Notary), head of the notary public of Tayo, with an office in the first street of Bakara Market, behind Waheyn Hotel in Mogadishu, have received in my office these Ladies and Gentlemen, whose names are described below.

My name is **Mohamed Hashi Ali**, born in 01, January, 1989, in Dusamareb Somalia, Bearing Somali Passport No: **P00754364**. I live in Hodan district of Moqadishu. My phone number is +252615985588 and Email is bidaarxashi@gmail.com

I know **Cadar Cabdi Maxamed** for a long time and had knowledge about the relationship between **Cadar Cabdi Maxamed** and **Mohamed Omar Osman** because I am married to her sister. Cadar and Mohamed were planning to meet and get married in mid-2020 but with covid 19 and family situations they could not. However, I was finally happy to be invited and attended her wedding to **Mohamed Omar Osman** on 15, July, 2022 at Paradise Inn Hotel in Moqadishu. I was among over 200 guests including relatives and friends from both sides. I had breakfast, traditional food for lunch and drinks like camel milk and watermelon. We celebrated with the bride and groom on the stage dancing to Somali songs. There were many traditional dances and performances by the guests and also the bride and groom. The bride wore three different wedding attires including white wedding dress and the groom changed twice as well. A lot of pictures and videos were taken of the event and even been posted on social media by friends and family congratulating the new couple. After the event, I did have knowledge of them living together for more than half a year because we are family, and we visit and meet a lot. Cadar and Mohamed always visit us because she loves her sister and niece and nephews. I am very happy for them and proud of them for being brave and patient for their marriage to happen and live happily ever after. Cadar and Mohamed do plan to spend the rest of their life together and start a family as soon as possible so I wish them good luck.

I make this affidavit to declare that the Marriage of **Cadar Cabdi Maxamed** and **Mohamed Omar Osman** is true and real and knowing that it is of the same force and effect as if made under oath. I swear under the penalty of perjury that everything is true and correct. I also understand that providing false information is a punishable under the law.

I declare under penalty of perjury, that the foregoing is a true and correct statement.
