The validity of this certificate shall extend for a period of six months after the first injection of the vaccine or, in the event of such a period of six months on the date of that revaccination. Notwithstanding the above provisions, in the case of a patient who shall indicate that two injections have been given at an interval of six months, the validity shall commence from the date of the second injection. The approved stamp mentioned above must be in a form prescribed by the Administration of the territory in which the vaccination is performed. Any amendment of this certificate, or erasure or failure to comply with it, may render it invalid.

La validité de ce certificat couvre une période de six mois commençant six jours après la première injection du vaccin ou, dans le cas d'une revaccination au cours de cette période de jour de cette vaccination. Nonobstant les dispositions ci-dessus dans le cas d'une patiente qui mentionne le présent certificat doit faire mention de deux injections pratiquées à sept d'intervalle et sa validité commence le jour de la seconde injection. Le cachet d'authentification doit être conforme au modèle prescrit par l'administration sanitaire du territoire où la vaccination est effectuée. Toute correction ou rature sur le certificat ou l'omission d'une quelconque des mentions qu'il comporte peut affecter sa validité.

This certificate is valid only if the vaccine used has been approved by the World Health Organization and if the vaccination center has been authorized by the administration for the territory in which that center is situated.
The validity of this certificate shall extend for a period of ten years after the date of vaccination or, in the event of revaccination, for a period of ten years from the date of that revaccination.

Any amendment of this certificate, or erasure, or falsification, or any other act which may render it invalid, shall be null and void.
Ce Certificat n'est valable que si le vaccin employé a été approuvé par l'Organisation Mondiale de la Santé et si le centre de vaccination a été habilité par l'administration sanitaire du territoire dans lequel le centre est situé.

La validité de ce certificat couvre une période de dix ans commençant dix jours après la date de la vaccination ou dans le cas d'une revaccination au cours de cette période de dix ans, le jour de cette revaccination.

Toute correction ou rature sur le certificat ou l'omission d'une quelconque des mentions qu'il comporte peut affecter sa validité.
